**Chuck Morris**

We want to make sure everyone has heard that Chuck Morris is now working part time as a minister at NorthWest. A part-time schedule fit his stage of life and that of his family, and it frees up some money that helps us with our financial needs at NWCC. The leadership is working with Chuck to make sure all the responsibilities he has been covering are still being covered, by him or by others. Generally, Chuck will be in the office only on Mondays and Tuesdays, so you may have to adjust how you make contact with him. He will still be here on Sundays as previously. We are thankful for the many ways Chuck has served at NorthWest and that he will continue to do so.

**Ride to church?**

Lisa Loney has attended our church for about a year and loves worshipping God with us, but she currently needs a ride on Sundays. Could you help? She lives near the intersection of Wurzbach Parkway and Blanco Hwy, just before Wurzbach reaches Hwy. 281. If you would consider helping her get to church, please contact Shane Sullivan (shane@nwchurch.us or 210-688-3002) or call Lisa at 210-294-1440.

**Air & Prayer!**

**Sunday, April 2nd**  
**12pm—5pm**  
 Lower Parking Lot

Come get the air pressure checked in your tires, your oil level checked, your windshield washer fluid filled, and windshield cleaned all for free!

While you’re waiting, we’ll serve you a treat and pray with you!

**Including Others**

One of the ways we are seeking to welcome and include people at NW is to better communicate the events, groups and other ways we have available for people to connect and get involved. One new way we are now working to do that is to display information about these opportunities on some large TV screens in the main lobbies, food bank area, and fellowship hall. We also plan to use these TV’s to display the Sunday morning service, as it is taking place (with a low volume), and to provide some brief “news stories” of NW events soon after they take place. Our goal is to improve communication about events and opportunities so that more people can connect and get involved at NW. If you have questions,
