## Fall Special Offering Sunday, September 30th

All the offering on this day will go towards much needed building repairs and improvement projects.

There are still some projects from last year's plan, teen's and children's classroom repairs and improvements, handicapped accessible entrance, office foyer restroom improvements, that were not completed due to lack of funds. We are hoping to address these this year with this offering.

We would also like your input. What things do you see that need to be repaired/improved in our facilities?

Please complete the form on the table outside the office and place in the black box to provide your input.

The Building Committee  
John Flint, Deric Long, John Varner, Deloris Flint and Courtney Bierschwale

**NorthWest Tablecloths**

The NorthWest tablecloths are used by a number of groups at NorthWest and sometimes more than once a week. **If you take a tablecloth out of the building for any reason, even to laundry, PLEASE check it out with the office.** If the office is closed, slip a completed form (attached to tablecloth rack) with your name and the number and description of the cloths you are taking under the office door. Many times a group has needed to use the tablecloths only to find some or all missing.

At that point the office staff and others have to call many people to locate the tablecloths. Sometimes the tablecloths have been taken home to laundry and are not returned for weeks or even months. Please be considerate of all of those who make our NorthWest event special by returning clean wrinkle free tablecloths to the tablecloths racks. Thank you.

**Children's Workroom has a new lock!**
